PRAIRIE VALLEY
STOCK FARM

Great Dispersal Auction

AT

La Crosse, Indiana
October 3rd, 1922

AUCTIONEERS

CAREY M. JONES, Chicago

SCOTTIE MILNE, Mt. Pleasant, Iowa

OWNER—D. S. MYERS, Pontiac, Illinois

SUPERINTENDENT—ROBERT G. EWING, La Crosse, Indiana

The dispersal of the herd of the Prairie Valley Stock Farm at La Crosse, Indiana, owned by D. S. Myers of Pontiac, Ill., means the distribution of a lot of cattle that have been carefully selected, regardless of cost, for the purpose of establishing a herd of the highest calibre.

There are thirty-five lots whose pedigrees represent straight Scottish descent throughout. The balance are richly bred Scotch-topped cattle of splendid conformation and descended from the breed's best males.

It is well known that only at dispersal sales may the **highest type of proven producing females** be purchased. This catalog lists many of this kind. They are cows which were bought because of their true Shorthorn character and quality. They have proven, in this herd, that they are regular producers of the best sort of calves. They combine, with these desirable assets, a wealth of pedigree worth that makes them ideal foundation stock.

While this sale is a dispersion, all cattle will be guaranteed as breeders, and the sixty day retest privilege will be granted the same as though the herd was to be continued. Mr Myers' financial responsibility is well known and his guarantee is absolutely good.—Will Johnson, of The Shorthorn World.

Pedigrees — Warranty — Location

PEDIGREES—A certificate of registry and transfer in the American Shorthorn Herd Book will be furnished for every animal, except calves that are sold with their dams. For calves that go with their dams as a part of a lot and for unborn calves a signed application for registry will be given.

WARRANTY—Every animal of breeding age is guaranteed a breeder. Cows with calves at foot or well forward in calf, evidence of breeding is present and no further guarantee is given. In case any animal fails to breed in the hands of purchaser after six months' trial, proof of such failure must be submitted to the seller, when he will return the purchase price less salvage, and no claim for damages or costs of shipping and feed is to be charged against seller.

All animals subject to 60 day retest.

All animals will be at the purchaser's risk as soon as bid off, but seller will attend to loading and shipping without cost to purchaser.

The farm is located just east of LaCrosse, Indiana, where trains will be met and transportation to the farm furnished on or before sale day.

LaCrosse is on the C. & O. between Chicago and Cincinnati; on the Pennsylvania between Chicago and Indianapolis; on the Monon between Michigan City and LaFayette; on the Pere Marquette that runs from Benton Harbor, Mich., to LaCrosse.

Parties desiring to mail bids may send same to the Auctioneers or to Will Johnson of the Shorthorn World or George Martin of the Breeder's Gazette.

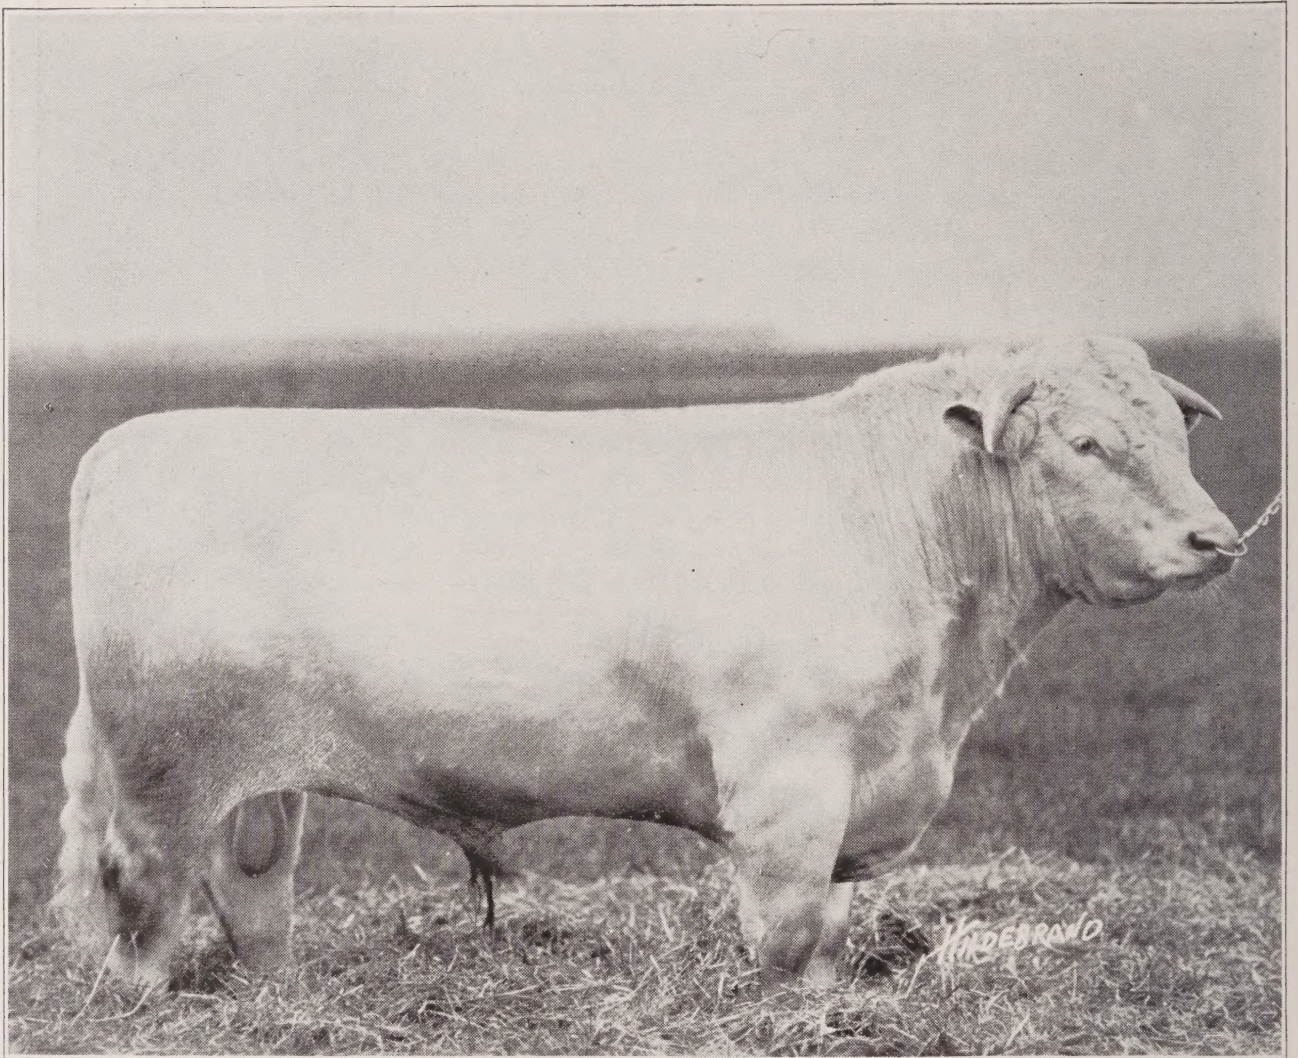

Auctioneers: Carey M. Jones, Chicago, and Scottie Milne, Mt. Pleasant, Iowa.

Please bring this catalog to the sale.

We extend a cordial invitation to all interested in good cattle to attend this sale.

D. S. MYERS, Owner.

ROBT G. EWING, Superintendent.

The herd bull, STAMP OF FASHION, was bought at a long price at Anoka Farms' 1919 sale. He is by the noted Regal Stamp and his dam, Crimson Fuchsia 37th, is one of the most attractive, low set cows in the Anoka herd and a very good milker. Stamp of Fashion is now three years old and has thoroughly proven himself to be a great sire. The many splendid offsprings to be sold attest this. He is a good server and very sure. To possess this bull is to establish oneself among the breeders of high class Shorthorns. This opportunity should compel your attendance at the sale.
